	<p><b>Advanced Power Solutions</b></p>
	<p>Providing quality power supply products including Open Frame, Industrial, Medical and External (Wallmount &amp; Desktop) products.</p>
	<p><b>All Sensors</b></p>
	<p><a href="#">&lt; --- Internet Catalog</a></p>
	<p>Low Pressure - High Accuracy Silicon Based Sensors used in Commercial, Industrial, Medical, and Military Applications, with MEMS based product utilizing two basic design packages.</p>

Columbia Research Labs Inc.

An ISO certified Woman-Owned Small business in the business of manufacturing accelerometers, and other related equipment meeting full Military Specifications since 1957.

Manutech, Inc.

Caribbean based manufacturer of transformers and filter inductors which offers design assistance. Catalog items as well as custom designs for a host of industrial and commercial applications.

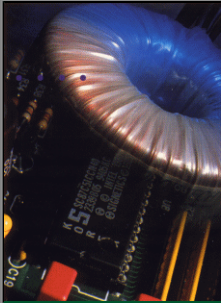

Suncoast Digital Technology Inc.

An established manufacturer of custom Control Panel and Keyboard Assemblies serving the OEM customers in military, test equipment, communications, and medical industry.

Toroid Technologies, Inc.

An ISO9002 certified manufacturer of toroidal transformers in the 250 to 1500VA range for Medical, Industrial, Commercial, Musical Industry, with full assembly operations if required.

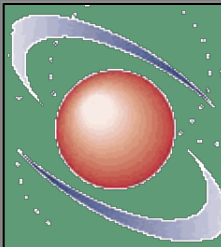

Transducers Direct

<---Online Storefront Catalog

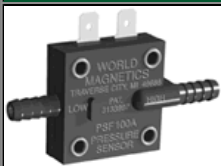

Various transducers for Military, Commercial, and Industrial type applications for pressure, temperature, encoders, melt pressure devices, linear transducers, & in-cylinder / mobile transducers.

World Magnetics, Inc.

<--- Internet PDF Catalog

An ISO9001-2000 certified manufacturer of Ultra Sensitive Pressure and Vacuum Switches for a host of applications in Medical, Industrial, Military, and Commercial applications.

Advanced Medical Inst. Inc.

< ---Online Storefront Catalog

A ISO-9000:2000 Contract Manufacturer with two locations who specialize in Turnkey manufacturing services. ESD controls in place. AMI meets all requirements of UL, CSA, & IEC-601-1.

Astra Products Co.

A MIL-Q-9858 design and manufacturing center serving the Military, Commercial, Industrial, and Aerospace industry. Power Supplies, Instrumentation, and Battery Charging Applications.

Fowler's Sheet Metal, Inc.

Precision sheet metal and custom fabrication. Laser & plasma cutting. CNC punching & forming. Serving Industrial, Commercial, Electronic, Aerospace, and Military accounts.

West Coast Castings, Inc.

Non-Ferrous Sand Castings with over 50 years experience with heat treat, T-6 and T-51 tempers in 356 aluminum alloy. Serving a host of industries including Commercial, Medical, Industrial, and Military applications.
